

## STUDENT ACKNOWLEDGEMENT FORM

---

Tyson's Institute informs its students of its policies and procedures adopted by the Institute. It also keeps all faculty of the State, Federal and accreditation agencies' rules and laws. Each student is responsible to be familiar with the information presented by the Institute. Accordingly, the Institute disseminates Catalog & Student Handbook to its students.

I acknowledge that I received the Institute's Catalog & Student Handbook via a hard copy, electronic file, or compact disk and understand their terms and condition as stated.
